## MAINTENANCE SATISFACTION SURVEY

As requested at the December 2003 quarterly meeting, a survey of maintenance satisfaction would be issued to all tenants annually to help the committee to decide which contractors to use in the future. This should be returned before the Christmas meeting.

A form is printed on the reverse side of this newsletter. However, the committee would welcome feedback on contractors work at any time.

*The committee would like to wish you all a Merry Xmas and a Prosperous*
